

EATON PARISH COUNCIL REPORT

Unfortunately there is still dog fouling, particularly round the lanes just outside the village centre. It is an offence not to clear up after your dog and there is a heavy fine.

Again, hedges are not being cut back and residents are being forced to walk off the pavement and on to other areas. Birds are no longer nesting so this is the ideal time to cut them back. Please do!

Arrangements are progressing to get the speedwatch set up. We have a good list of volunteers but more are always useful to spread the load. We have the speed gun and the jackets and training will be given. Contact Susi Evans in School Lane if you can help.

The council accounts have now been approved by the external auditors and can be inspected on application to the clerk.

Next meeting – Tuesday 28th November in the hall at 7.00 pm

Meetings in 2018 will be on the first Tuesday in January and then on the same dates bi-monthly.
