Comments on the Plan overall: The plan covered good fundamental issues raised however feel like it needs to be far more specific as to what is actually being requested for change. I very much agree with consensus that no new builds are allowed and roads/footpaths need improvement.	Suggested changes: Plan to outline clear actions for change/development rather than just opinions and number of residents. would like to see -: ① Pelican crossing at the Plough - My son struggles crossing every day when walking to school. ② Yoga - Introduced at community centre ③ Village shop would be great!
