None as of 21st October 2025
- 9. To ratify the comments submitted for the following applications which required comments before this meeting:**
[25/3572/FUL](#) Demolition of existing buildings and construction of a new residential dwelling
Eaton Parish Council have examined this application and have no objections to raise. The conversion of existing farm buildings to residential accommodation is to be encouraged, providing the materials used are sympathetic to the existing surrounding buildings, and that there is no detrimental visual impact, particularly from the main highway. This application appears to meet this criteria.
- 10. To consider the Parish Council's response, if any, to the Congleton Neighbourhood Plan**
Suggested comment: "Eaton Parish Council welcome the latest stage of the Congleton NP and would congratulate the Congleton Neighbourhood Plan Working Group on getting to this critical stage in the plan. The Parish Council particularly welcome and support Policy 1 (Brownfield First) together with the comments made in the Vision and objectives, in that "The surrounding

countryside will be protected, enhanced and promoted to make the town an attractive place to live, work and visit."
